*Dear Steve, Grant, Jim and the rest of the team at MyGreenBuildings:*

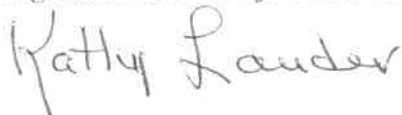

*Just a note to tell you how much I am enjoying my magnificent new home. Everything has come together so well. I appreciate the openness and integration of the new and older sections. The house now flows well.*

*I greatly appreciate the craftsmanship both individually and collectively of all the trades. Jim's ability to coordinate and interact with the crew was extraordinary. During the 8 month period there was such harmony among the workers. They were always considerate, punctual and took great pride in their work. They were always respectful and maintained a positive work attitude throughout. The results are exceptional.*

*Although the project seemed to take on a life of its own toward the middle – the finale created a satisfied and happy customer who would be happy to recommend MyGreenBuildings.*

*The final invoice being \$35,000 less than I anticipated was such an unexpected delight that I feel it deserves special acknowledgement!*

*Congratulations on a job well done.*
